The Fifth District County Commitit did not come off. The gathering was representatives, John Lane, Na- to Judge De Bolt. garan Fernandez and Chas. Clark being present, but not voluminous, and one from Ewa, in which a Koroan taken, without any business being

The purpose of the meeting was to liscuss the matter of the representation of the Fourth and the Fifth on the County Committee. Under the rules each precinct shall have one member of the committee, but by the new division of precincts, the Fifth has been given thirteen precincts and the Fourth only ten. The Fourth now wants thirteen members on the com mittee, so as to be on an equal foot ing with the Fifth, but the Fifth is inclined to dispute this proposition and to stick strictly to the rules.

Japanese laborers in the different Kaual plantations observed the Bon Festival during the past week. This festival is sometimes called by foreigners the Feast of Lanterns, but might better named as All Souls' Day Japanese believe that on that day the spirit of dead ancestors visit the altar sacred to them in each household, and special offerings of food are made to "Prove your honesty," suggested the them. The rural population of the sweet little woman. most part of the empire celebrate the dance is a large circle or wheel of pos turing men and women who revolve to the notes of a song, sung and flute and drum played by a few of their number in the center. On some plantations a BULLETIN ADS. PAY play was substituted for the dance.

HEAT vs. COST

If you will consider the cost of the wood alcohol you use in your chafing dish lamp and compare it with the ex-pense of cooking on a gas stove you will take to the latter at the expense will take to the latter at the expense of throwing away the chafing dish. Gas will heat your cooking utensil in chorter time and for less money than any other fuel. It is the most economical and cleanest for every purpose. If you doubt this we will give you a hot plate with two burners to aid in convincing you that we are right.
